QA Level 3 Award in Emergency Paediatric First Aid (RQF)

Duration: 1 Day

Max Participants: 12 Delegates

Who Should Attend

The QA Level 3 Award in Emergency Paediatric First Aid (RQF) has been specifically designed to meet the criteria set by the Department for Education's EYFS Framework and is ideal for:

- Those who have gained a level 2 and/or level 3 childcare qualification and have entered into an early years setting and wish to be included in the staff to child ratios to comply with EYFS requirements.
- Anyone who has an involvement with infants and children, such as parents, grandparents, youth organisations and want to learn key paediatric first aid skills.

Aim

The aim of this course is to provide the candidates with the necessary skills required to perform their duties as a nominated Paediatric First Aider.

Objectives

On successful completion of this course the candidate will possess the necessary skills required to perform their role as a nominated Paediatric First Aider.

Content

- Roles & Responsibilities of a First Aider
- Primary Survey
- Seizures (Child & Infant)
- Febrile Convulsions
- Resuscitation (Child & Infant)
- Choking (Child & Infant)
- Use of an AED on children
- Unconscious casualty management
- Circulation, wounds and bleeding
- First Aid Legislation & Documentation
- Shock
- Insect Bites & Stings

Method of Evaluation

Evaluation is achieved by means of continuous assessment by the trainer throughout the day. A short multiple choice exam paper is also completed by the candidates at the end of the day. Successful Learners will receive a QA Level 3 Award in Emergency Paediatric First Aid (RQF) certificate as well as a plastic aide memoir and course reference manual.

An annual refresher course would be strongly advised, to maintain the skills learnt during this course.

Health & Safety

M-Fire takes health and safety very seriously, all tasks that we carry out from engineering and training to operational fire fighting have been carefully looked at by our own Health & Safety advisors, risk assessments and method statements have been carried out to protect our clients, staff and members of the general public.

Candidates will be expected to demonstrate two minutes of continuous CPR on the floor.

Our Place or Yours?

Training can be carried out either at your own premises (subject to suitability) or at our Quallsafe Registered Training Centre in Bourne Lincolnshire (PE10 9LQ).
