QA Level 3 Award in Paediatric First Aid (RQF)

Duration: 2 Days

Max Participants: 12 Delegates

Who Should Attend

The QA Level 3 Award in Paediatric First Aid (RQF) has been specifically designed to meet the criteria set by the Department for Education's EYFS Framework and is ideal for:

- Those who have gained a level 2 and/or level 3 childcare qualification and have entered into an early years setting and wish to be included in the staff to child ratios to comply with EYFS requirements.
- Registered Childminders and assistants who are required to hold a current and full paediatric first aid certificate in order to comply with the EYFS requirements.
- Anyone who has an involvement with infants and children, such as parents, grandparents, youth organisations and want to learn key paediatric first aid skills.

Aim

The aim of this course is to provide the candidates with the necessary skills required to perform their duties as a competent Paediatric First Aider.

Objectives

On successful completion of this course the candidate will possess the necessary skills required to perform their role as a competent Paediatric First Aider.

Content

- Roles & Responsibilities of a First Aider
- Primary Survey
- Secondary Survey
- Seizures (Child & Infant)
- Febrile Convulsions
- Resuscitation (Child & Infant)
- Choking (Child & Infant)
- Shock
- Burns and scalds
- Sprains and strains
- Meningitis
- Insect Bites & Stings
- Imbalance of Heat Conditions

- Allergic reaction & anaphylaxis
- Asthma
- Eye injuries
- Head Injuries
- Spinal Injuries
- Diabetes and hypoglycaemia
- Poisoning
- First Aid Legislation & Documentation

Method of Evaluation

Evaluation is achieved by means of continuous assessment by the trainer throughout the day. A short multiple choice exam paper is also completed by the candidates at the end of each day. Successful Learners will receive a QA Level 3 Award in Paediatric First Aid (RQF) certificate as well as a plastic aide memoir and course reference manual.

An annual refresher course would be strongly advised, to maintain the skills learnt during this course.

Health & Safety

M-Fire takes health and safety very seriously, all tasks that we carry out from engineering and training to operational fire fighting have been carefully looked at by our own Health & Safety advisors, risk assessments and method statements have been carried out to protect our clients, staff and members of the general public.

Candidates will be expected to demonstrate two minutes of continuous CPR on the floor.

Our Place or Yours?

Training can be carried out either at your own premises (subject to suitability) or at our Quallsafe Registered Training Centre in Bourne Lincolnshire (PE10 9LQ).
